

En pizza med pepperoni, tak!

Til træning af k/g-lyd og konsonantklynger med k og g

Fremgangsmåde: I dette spil skal barnet lave en lækker pizza med masser af pepperoni. Udvælg den/de konsonantklynger du gerne vil arbejde med. Obs. sørg for at printe materialet ud på begge sider af papiret. Print evt. pizzaen ud på A3-papir, så der er bedre plads til alt pepperonien. Klip pepperonien ud og placer dem alle med bagsiden opad. Snak først med barnet om den lyd I skal øve. Barnet skal derefter trække én pepperoni ad gangen, benævne billedet (gentag gerne 3-5 gange) og herefter placere den på pizzaen. Fortsæt indtil pizzaen er fyldt med pepperoni.

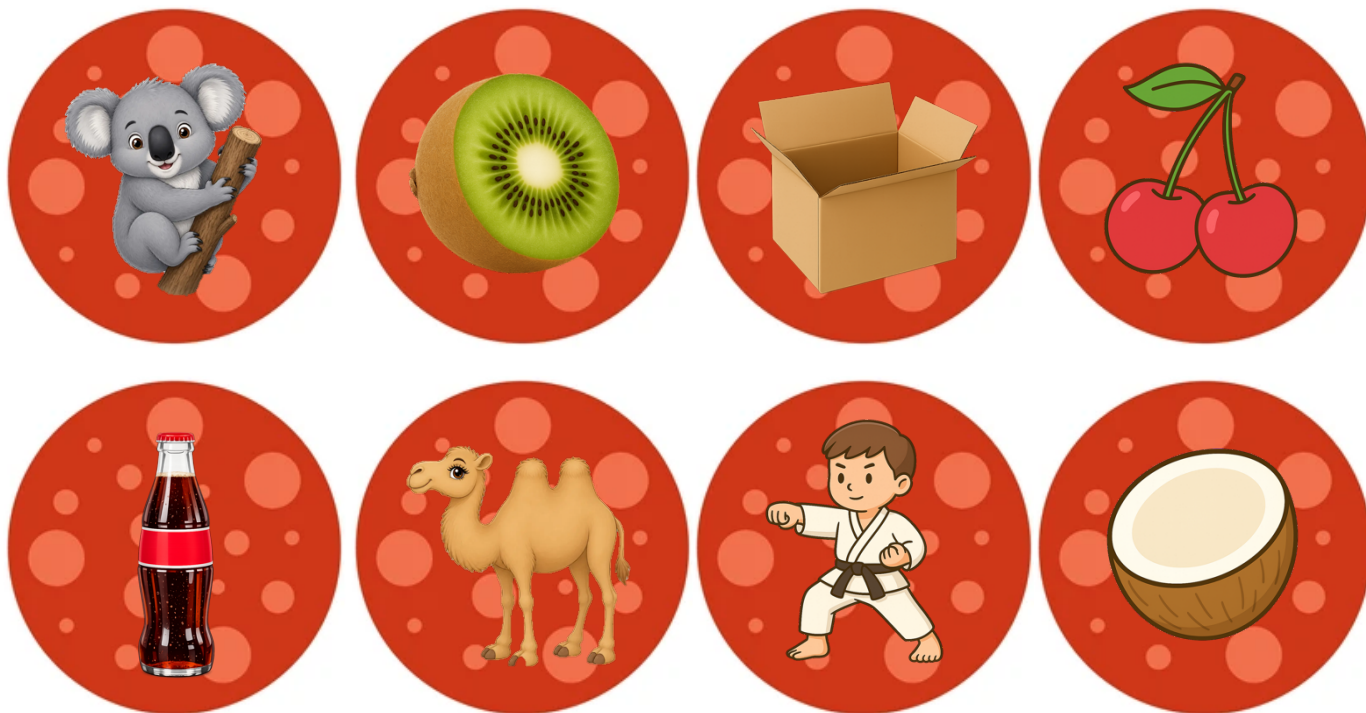

Men legen behøver ikke at stoppe her! I de fleste pizzaforretninger kan man få lov til at hente en (gratis) pizzaboks. Print skabelonen ud til pizzaboksen. Når lyd-pizzaen er klar, placeres den i pizzaboksen. Leg derefter at pizzaen er klar til afhentning og at den voksne skal hente pizzaen. Åben pizzaboksen og gentag alle pepperoni-øveordene igen. Dette er en sjov måde at få en masse ekstra gentagelser på.
