

Sur, sur, sur lille bi omkring

Til træning af /s/+vokal, /s/-klynger og finalt /-s/

Fremgangsmåde: Print gerne bikuben ud i A3-format, så alle bierne kan nå at være der. Print dernæst de målord ud, som du vil arbejde med, laminér gerne og klip bierne ud. Placer bikuben foran barnet og alle bierne med bagsiden opad. Snak med barnet om hvilken/hvilke lyde I nu skal øve.

Barnet skal trække én bi ad gangen, benævne målordet (gentag gerne 3-5 gange) og herefter placere bien i bikuben. For at gøre legen endnu sjovere kan man tilføje nogle tomme bi-brikker og hvis barnet trækker en af disse, skal barnet råbe "BI!", "sum sum" eller "bien summer". Fortsæt indtil alle bierne er placeret.

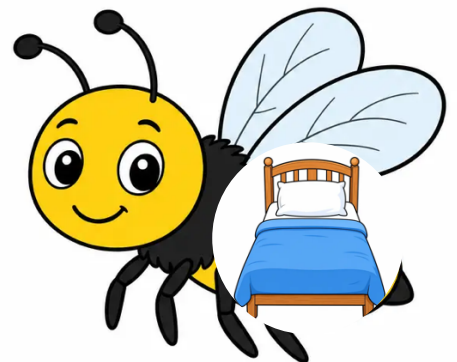

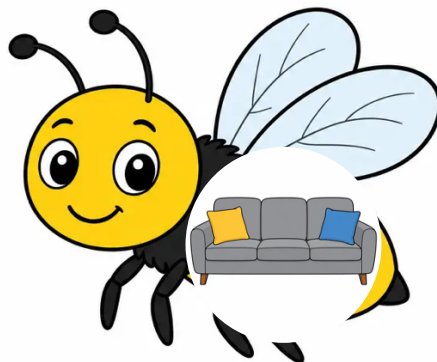

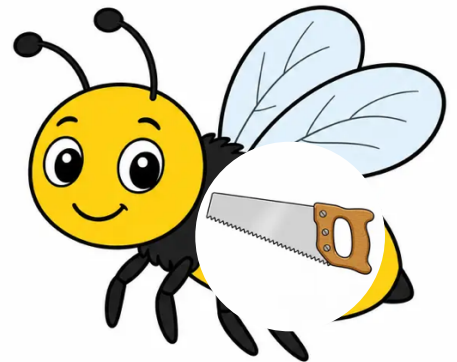

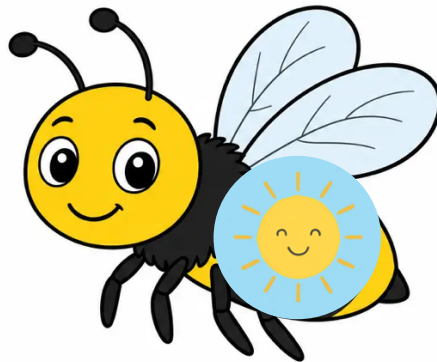

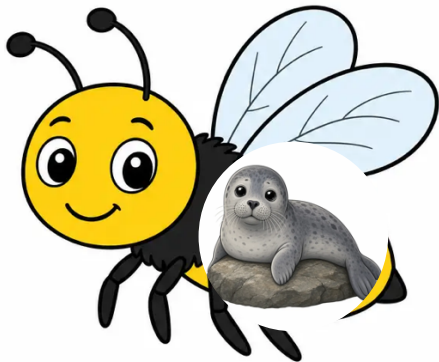

TIP #1: "Sur, sur, sur lille bi omkring" er naturligvis helt oplagt at synge undervejs i dette spil. Dette hjælper nemlig på automatiseringen af /s/-lyd til spontantalen. Syng sangen undervejs mens barnet placerer bierne i bikuben eller syng den når spillet er slut.
